Crossroads Of Bliss

Ireo Gurgaon Hills-unbeatable location.

Although located amidst the most idyllic of natural forested landscapes, Ireo Gurgaon Hills is also in close proximity to the bright lights of both Gurgaon and South Delhi. It is just 5 minutes driving distance to Gurgaon's prime Golf Course Road area on one side, and to South Delhi on the other. Divine Abode

Ireo Gurgaon Hills-where the ultra modern architecture complements nature's splendour.

The luxurious, ultra-spacious 3BHK & 4BHK apartments designed to provide maximum flexibility for internal space planning to suit individual tastes. Only 2 apartments to a floor ensure a relaxed, less-cluttered ambience to the development. Each apartment will also have luxury of two private high-speed elevators, facilitating direct access from the grand entrance lobby of the tower to the apartment's dedicated private foyer. High-end double glazing of windows provide for sound proofing of interiors, as well as increasing air-conditioning efficiency. All 4BHK have specially designed double-volume living rooms and wrap around balconies, which further add to the spacious feel of the homes.

Double-volume Living Dining Room

At Ireo Gurgaon Hills, the architectural planning ensures that residents get the most out of the stunning natural beauty of the surroundings. Each of the 6 towers is strategically orientated to minimize overlooking the others, so as to maximize outward views. All units are atleast 3-side open with front having full height glazing facade that again helps in maximizing the panoramic views around. Moreover, all units have generous balconies for an ultimate alfresco experience, including a grand 400-500 sq. ft. balcony adjoining the living room that opens towards the best viewing corridors.

Stairway To Heaven

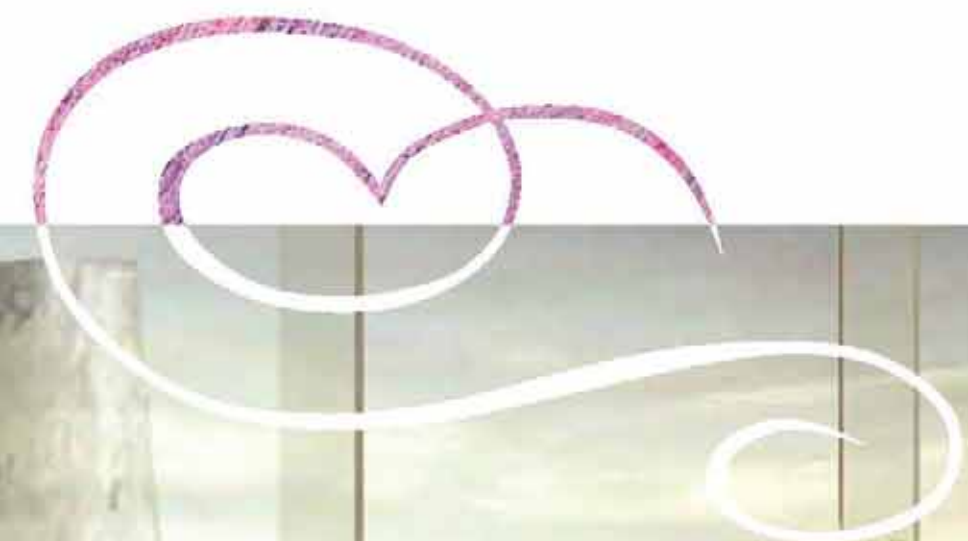

Step into a world of tranquility and bliss.

The resort-like main entrance is crafted in a way that its sunken ring road will keep internal vehicular flow out-of-sight while providing easy access to designated drop-off points for each tower. These dedicated drop off points are surrounded by exclusive sloped lawn arrival gardens, that then lead into the grand, fully furnished, air-conditioned entry lounge of each tower with its 20 ft high ceiling. Three sides of this magnificent lobby space has a glazing that opens into views of the surrounding shimmering water bodies and green lawns; creating the visual effect of almost bringing this landscape into the lobby area.
