TRUMP[®]
TOWER

Your home – an address so powerful, a letter
would reach you from any part of the world.
With just the Trump name. And yours.

My father started the Trump Organization 35 years ago and it has been expanding ever since. Our dedication to excellence has created what can only be called a real estate superbrand, with architectural icons in over 35 locations around the globe. Trump is now synonymous with a standard of luxury that we invented. We bring in the best architects, the best designers, the best materials to create spaces that are so uncompromising in their excellence and beauty, they are almost unreal.

TRIBECA

Tribeca is a boutique branded real estate developer focused on delivering world-class product and warm customer service. Tribeca has worked with the Trump Brand for the last 7 years and has been instrumental in creating the largest portfolio of Trump Properties outside of North America. Currently, Tribeca is developing more than 6 million square feet of branded residences with another 2 million square feet in pipeline.

Tribeca was founded on the desire to inspire and delight. Truly great developments can achieve this through the fusion of thoughtful design, detailed craftsmanship and ideal partnerships. We work by these principles of building architecture based on art, and relationships based on transparency.

AN ENTERPRISE CREATING INSPIRING SPACES

M3M, today, is India's fastest growing real estate conglomerate with a reputation for identifying emerging real estate markets, recognizing aspirations in lifestyle evolution, perfecting the modulations of luxury and responding with projects that capture the unique spirit of changing India.

What really helps us stand out in the real estate industry is our belief - to ensure that every project is delivered with speed and excellence. From the iconic residential developments like M3M Golfstate and M3M Merlin to award winning commercial developments like M3M Urbana and M3M Cosmopolitan, our projects demonstrate our capacity to pursue excellence with unwavering consistency.

Through the undeniable merit of our projects, we have established ourselves as a developer of sound credibility. It's a landmark that has been achieved with principles and hard work.

Our eyes are now set on bigger targets, goals that are yet unaccomplished in the realty sector. Our commitment and belief direct us to believe that the future holds more for us, which is why we are ready with unique developments that will epitomize the new bustling millennium, Gurugram.

TRANSFORMING PROMISES INTO REALITY

Much of our success can be credited to our functioning as a progressive organization in terms of delivering better and smarter real estate developments.

With a land bank of more than 8 million square meters at the most desirable locations of Delhi NCR, M3M has delivered 8 iconic projects encompassing residential, commercial, retail and office spaces. And then there are 12 projects that are in advanced stages of development with a targeted delivery in the next few months. This feat of credibility of delivering world-class projects has been possible because of our resolve to bring out the best from the realty sector. Our patron-centric vision has enabled us to come up with concepts and designs that call out for an association with the best architects and designers to implement them.

We are proud to say that our professionalism and continued dedication to detail, have earned us the trust of countless families, leading brands and a host of renowned partners. This is the relationship that we cherish and together, we believe in doing what we repeatedly do - creating landmarks beyond beauty and delivering dreams surpassing expectations.

M3M'S *Delivered Projects Portfolio*
