CONNECTIVITY

Signature Global ICC is a burgeoning hub located in the prime urban Delta World's Industrial Corridor. Strategically, connecting to all the major sectors. Thus, it adds a vital link to the city as the very backbone of business with passing through South of Emirate. In addition, the following infrastructure supports in the ICC makes it a very unique sector for different real estate.

- Located on Sheikh Zayed Road, which will soon be open as an expanding 8 lane elevated road.

RESIDENTIAL NEIGHBOURHOOD

The SCC is complemented by dense residential built-up around it. The neighbourhood is the densest growing space of the city as per our modelled by various residential projects including those by Signature Global. There is nothing like this SCC in the neighbourhood, thereby, covering a huge pool of affluent families, and skilled professionals working here. However, more importantly, it is providing office and retail spaces to those who want to conduct their businesses as it helps them to dynamically progress as close to home.

PRIME LOCATION

Placed in a prime spot in South of Singapore, the 523 is connected to the major highways of the city. This location not only affords us the possibility of a robust tenant base, but also the possibility of linking with the major commercial hubs in the F&B region. In addition, the space is surrounded by other well-known corporations. Moreover, the building is surrounded by other facilities that give it the ideal place for those who want to live, work, and shop in a prime commercial area.

SOCIAL INFRASTRUCTURE

The strong social infrastructure in the neighborhood makes it an ideal destination for the ICC. The project witnessed development of several residential projects in the vicinity including those by Signature Global, surrounded by abundant greenery. While this might seem an obvious consumer pull for the ICC, for those working in the ICC, this might provide the opportunity to shift their homes closer to their workplaces. The area is surrounded by a network of well-maintained schools, universities, hospitals, health and recreation clubs, supplementing the strong social infrastructure with world-class amenities.

A HUB THAT CONNECTS WITH THE GOOD LIFE

Signature Global 100 offers plots in a place that is well-connected, along with endless business and shopping. It is important to grow and develop in a popular destination in the area. The benefits of the location are further supported by the following:

The location enjoys easy connectivity to key areas of the city such as Rajiv Chowk, Golf Course area, Sakinaka and New Buragani.

It is located along the Doha-Muscat Industrial Corridor, one of the longest trade expressways.
